CashComplete™

RCS-300

Flexible Mid-Range Note Recycler

Superior Flexibility with Modular Design
Cash Management Solution

Cash is a Cross-Functional Challenge and CashComplete™ is the Solution

The future of cash demands that businesses scrutinize every aspect of the enterprise to identify potential cost savings and operational efficiencies. CashComplete™ Connect gives retailers visibility of all activities at the point of sale, in the back office, and throughout the auditing process. The CashComplete™ platform is the ultimate solution for superior financial and operational control of cash, integrating and streamlining the entire cash management process.

▶ **POS Balancing (Retail Edition)**
Automatic reconciliation of daily balances at point of sale (POS)

▶ **Financial Control**
Real-time transaction monitoring

▶ **Maximum Uptime and Service**
Real-time monitoring of machine health and events to ensure maximum uptime

▶ **ERP Integration**
Reports daily balances and accounting

▶ **Optimize Cash Management**
Share cash inventory information with your CIT to optimize deliveries and pick-ups

Competitive Features

Superior flexibility with modular design
Can be used in front or back office; three configurations available

Scalable solution
Bundle with a CashComplete™ coin recycler for completely automated solution

Bundled note deposit
Accepts up to 50 bundled notes for deposit, dispenses up to 20 notes on withdrawal

Multi-currency option
Supports major world currencies including mixed and used notes, paper and polymer notes

Excellent validation
Quickly and accurately verifies currency denominations, detects and separates counterfeit and unfit currency with best-in-class bill validator

Easy Jam Clearance
Combined with simplistic, horizontal note path results in higher machine up-time

Smart LED Machine Status Indicator
Lets employees know the condition of the machine from across the room

Compact footprint
Remove the top cover for under-the-counter POS solution
